Schools register enrolment increase

The downward slide on enrolment at area schools appears to have stopped, at least temporarily. This change in direction was reported by a number of principals following the first day of the new term yesterday.

Both Stuart Baker, principal at Archie Stouffer

Elementary School in Minden and Dale Robinson, principal of Haliburton Highlands Secondary School in Haliburton, noted enrolment turnarounds. According to Baker the enrolment at the Minden school was 445 on Tuesday. "I expect them to drift to 450 or so,"

he commented. Last September the enrolment at the school was 422.

As an indication of the increase in enrolment this year, Baker noted that kindergarten registration jumped from 39 last year to 49 this year. As well, the total primary enrolment has shown a significant increase

over the last year, boding well for the years ahead.

Robinson also had some encouraging figures to report from the high school. "We were expecting about 575 students," he said. "But, as of registration today, we have 595 students. He said the figure could go above 600.

Both principals report an increase in the number of new students, those entering the Haliburton County education system for the first time. At the elementary school the number was 31, while 42 new students had enrolled at the high school.

addition to the special education program available at the school and would be for students who require intensive help in one subject, rather than a broad range. This remedial program now extends from grades one to eight.

HHSS changes

High school principal Dale Robinson noted this year saw one of the smallest staff changes at HHSS. He said that several teachers have returned from leaves of absence, but there have been few other changes in staff this year.

One teacher has left the staff temporarily to co-ordinate an internal assessment of a number of aspects of the school's operations. Carried out under a Ministry of Education program, a similar committee, made up of ministry officials, will be completing a parallel study. When the two are completed, the groups will get together to compare notes and determine if improvements can be made. The areas of study include the role of the principals, the role of the director of education various course of study among others.

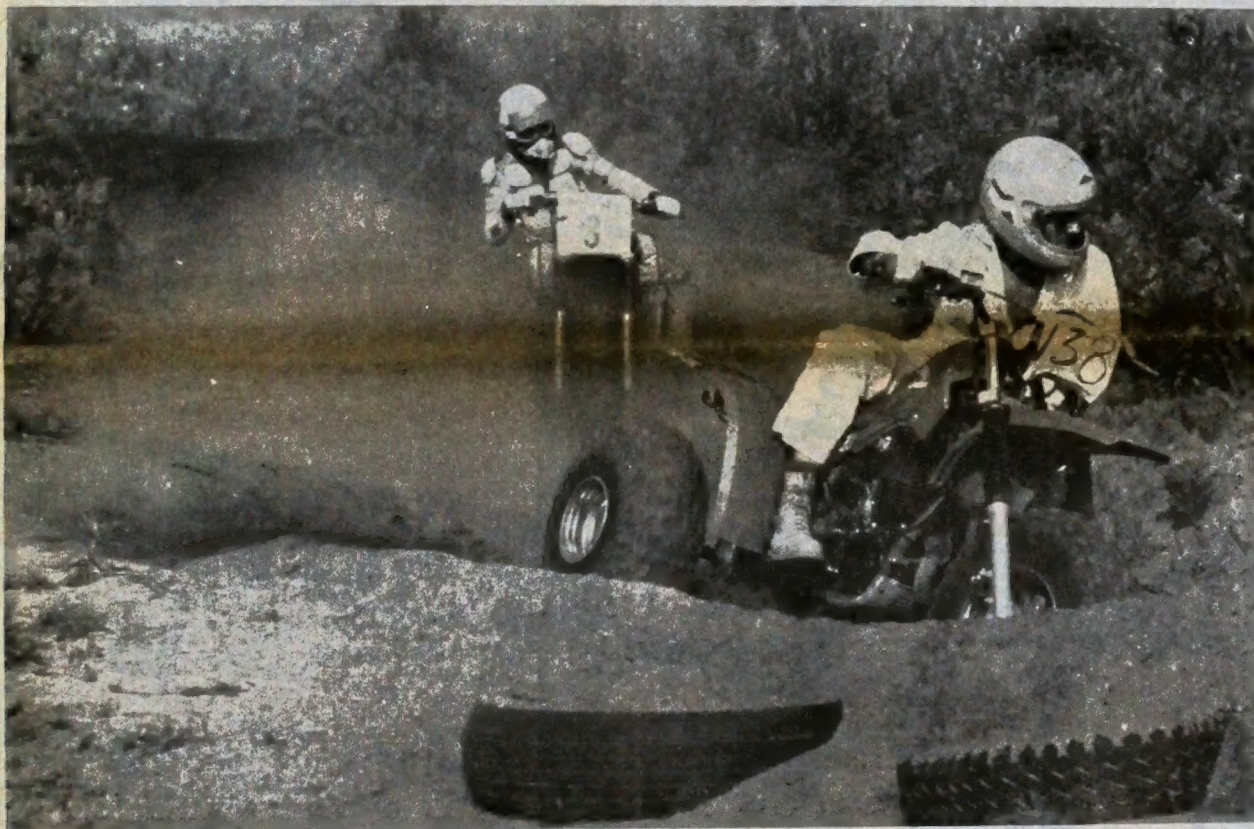

As well the high school is preparing for the implementation of the recent report on secondary education in the province. The grade nine students entering the system this year will be the last set to complete school at grade 13. The new program will see grade 13 dropped and high school graduation completed in four years.

In addition to the shortening of the training period, certain courses will become required subjects. Details of the new program are expected to be made public later this year.

Among other additions at the high school this year:

- the special education program has been expanded to include students in grade 11.
- the school has purchased more computer equipment to give students greater access to the machines.
- word processing and

Pair wounded - man charged

A man has been charged with wounding following an incident Sunday on Highway 503.

The incident occurred in a van carrying a number of people from a half-way house in Bancroft, driving to the Kinmount Fall Fair. One of the passengers became belligerent and the man began fighting with the other passengers. In the shuffle he drew a knife, wounding two other passengers.

Charged with wounding is Garth Leslie, 34, of Bancroft. He is being held in jail in Lindsay pending a bail

hearing.

Sentenced

A West Guilford youth has been sentenced to nine months in jail following a series of incidents in and around the Haliburton area. 19 year old Danile Ray Griffin was sentenced in court in Lindsay August 29. The individual received 30 day sentences for causing a disturbance and two counts of breach of probation. He was also sentenced to two, three month terms on two counts of break, enter and theft.

The charges arose out of incidents at the Harvest

Restaurant and the Old County Restaurant in Haliburton.

Recovered

Charges of break and enter plus possession of stolen goods has been laid against a Minden man following an investigation by local OPP.

Brent William Porter, 19, was charged by police last week.

The charges relate to an incident last week involving a break-in at the Haliburton County garage in Ingoldsby and the theft of three chain saws. The saws have since been recovered. The

investigation was carried out by Constable Barry Connelly and Corporal Steve Adam.

Roll-over

A car driven by Victoria Sisson, 27, of Guilford Township, sustained \$7000 damage when it went out of control and rolled over twice on Highway 118. The accident occurred near the junction with Highway 519.

The driver and two passengers, were treated at Haliburton Red Cross Hospital. Sisson has been charged with careless driving.

Minden Juniors win 'B' final

The Ladies Softball League season came to an official end Thursday evening at the Minden diamond as the local Junior team defeated the Haliburton Juniors.

The game was a closely fought contest which left spectators on the edge of their seats as the Minden team allowed the visitors to load the bases on a number of occasions before shutting them down. In the end, the Minden Juniors were able to manage an 8-6 win and claim the best of five series three games to one.

Andrea Burk and Cheryl Dillion were the winning pitchers for the Minden team.

The league season is now officially over with the 'A' series play-offs being decided last week. West

Guilford defeated the Minden Dixie Lee Seniors to claim the title. The winning pitcher in the match was Joan MacKay with Nelda Cully taking the loss. Final score 10-6 for West Guilford.

Members of the 'B' championship team, the Minden Juniors, include, from the left, front row, Darlene Pettes, Andrea Burk, Anita Beaver, Wendy Ballantyne, and Lori Dunham. Back row, coach, Bill Dillon, Wendy Davis, Cheryl Dillon, Wana Blakey, Terri Dillon, Ethel Muli, Heather Kennedy, Sue Ballantyne and manager Brian Dunham. Other members of the team not on hand for this photograph include, Kim Sinclair, Sue Kennedy and Brenda Aggett.

Diving hazard

Minden Ontario Provincial Police have noted that falling water levels in area lakes and rivers have created hazards for more than just boaters.

Community relations officer Gary Chapman pointed out last week that because of the low levels, what were once familiar swimming areas could now have come serious hazards, particularly for those who dive or jump into the water.

The officer noted that local medical officials have recorded an increase in accidents related to swimming or diving in shallow areas. He suggests that swimmers check the water before diving in. The lower water levels could have drastically changed what was once a safe location.

electronic typewriters will be introduced in the commercial training section to help students stay ahead of technological changes in the industry.

- a new caterer has taken over in the cafeteria. According to the principal, if the first day was any indication, the new food service should be a success.

- the school considered icing its own hockey team this year, but decided not to,

so as to not compete with the junior team in the area. The principal noted that there was an indication the junior team might not have played this year, in which case the high school might have formed a team to fill the gap.

- finally, plans are all but reaching their conclusion for the HHSS 30th anniversary and reunion, set for September 16, 17 and 18.

"It's going to be one of the busiest years ever," Robinson commented.

Using tax dollars wisely

Should a municipality be in direct competition with private enterprise? That is the gist of a letter, written by Minden tavern owner Dave Willis, appearing in this week's edition of The Times.

The matter in question, a weekend concert by the Good Brothers at the Minden arena, promoted by the Minden Recreation Committee, has a number of facets. Mr. Willis' attempt to link the appearance of an exotic dancer at his tavern in response to the increased competition of the concert, is tenuous at best.

However, his suggestion that as a businessman in this community, he should not be subjected to competition for patrons from the municipality, is on a firmer footing. As he correctly points out, the municipality, through the Recreation Committee, has a number of advantages not available to the private businessman, mainly, the ability to experience a loss from such an enterprise and not have to answer to the "laws" of normal business practice.

We question whether using funds raised through taxes as risk capital to stage such an event is a wise and prudent way of handling the money entrusted to the municipality by the ratepayers. The Ontario Municipal Act has spelled out, very specifically, what investments a municipality can make with surplus funds. Holding a musical concert, with the aim of making a profit, is not listed.

Mr. Willis is right to be upset by the unfair competition provided by this concert. The rest of the community should be concerned about this aspect as well. But, more importantly, the ratepayers should question whether they want their tax dollars used as risk capital to promote musical concerts designed to generate a profit.

The steam era at Kinmount Fair.

Mulroney leads P.C's

- by Bill Scott, M.P. -

August 29, 1983 was an historic day in the history of the Progressive Conservative Party and the country. Brian Mulroney led the Party to two by-election victories in Central Nova, Nova Scotia and Mission-Port Moody in British Columbia.

Brian's election to the House of Commons as the M.P. for Central Nova gives him the right to assume the mantle of Leader of Her Majesty's Official Opposition in the House of Commons. When Parliament opens next week he will take his place. This marks the end of the beginning of his term of office as Party Leader and the beginning of the end of traditional Liberal Federal government.

His majority in his own riding shows that the voters there understood the significance of the vote they were casting. Even more noteworthy is the victory in Mission - Port Moody. There, in a traditionally

NDP seat, as in Central Nova the voters showed their desire to be rid of the Liberal Party and replace it with the new style of political thinking they see in Brian Mulroney.

I look forward to participating actively in the events of the upcoming months under Brian. He has

already shown the ability to understand the issues of the electorate and I know that we will be able to carry that message to all Canadians before the next election. Then, finally, we will be able to begin the task of rebuilding this country out of the ruins it has been brought to by a government intent on only its own gratification.

Editor:

This letter is to protest the large number of poor car drivers on our roads. They make U turns on the main street, and pass on hills and curves which is bad.

Their whole attitude seems to be one of rudeness.

We were making a left turn into a driveway recently and had the left signal on when one of these stupid drivers passed on our left side just missing us by inches. I got very little sleep all night.

I think some of these smart alecks better go and take a course on how to drive properly, before they hurt or kill someone.

Editor:

As I read the letters in the Times also the Council briefs—I agree with Mr. Pergolas if Mr. Willis is smart he will just let this absurd performance drop, and keep a respectable Hotel. He will be much more respected.

As for those names which were so illegibly signed should not get away with just an apology as that is supposed to be against the law.

Re: Flying Clothes and the Bare Facts.

We operate a business which involves providing a service year round for the community and tourists. One of the unfortunate aspects of this (as anybody who operates a business in this County can appreciate) is that you have to generate enough revenue in the summer months so that you can continue to operate in the winter.

It boils down to two key facts: 1. Promote and provide a good service so that you can generate these revenue dollars; 2. So that you can absorb the loss in the winter time.

You could, I guess, just operate your business in the summer and then close your doors and say "who cares about the local community". Well we care, because we are part of it and we try and play an active role in the community. If all the businesses who are in our situation decided to only operate in the summer it would lead to a very bleak depressing community in the winter months.

It would appear that the County attracted a record number of tourists this year but due to economic problems which we don't control, the amount of available leisure spending dollars is lower than the past years. From information we

from the chamber

The annual meeting committee of the Haliburton Highlands Chamber of Commerce is pleased to announce that the annual meeting will be free. The annual meeting will take place on October 19 at Wig-A-Mog Inn at 3:15 p.m. The theme for this year's annual meeting day is "You, Haliburton County and The Future!". You should begin to make your plans now as we are presenting a very worthwhile program of value to any Chamber member in the county on that day.

The day will begin with a panel discussion on "You, Haliburton and the Future!" which will include among its participants Mike Walker from the Ministry of Tourism, Anson, Hindon and Minden Councillor Gary Kenney, Warden Bill Howe and moderator Bob Stinson. As well seminars will be presented on the importance of quality in running your business and on the values one can achieve from various services available to your business.

I was most happy to have been invited for a lunch last week at the C.N.E. by the president and directors of the Canadian National Exhibition on tourism day. Guest speaker was Michael Bartland, President of Expo 86 which will be the next world fair in Vancouver. Following lunch he showed us a fascinating slide show utilizing 18 slide projectors.

To see and do

Once again it's time for that great annual event the Corduroy Enduro. The Corduroy Enduro will take place this year on September 10 and 11 running from Locarno Resort on the beautiful north shore of Lake Kashagawigamog. Registration for this dirt bike rally which is North America's biggest takes place on Friday night and Saturday morning at Locarno. The Enduro will begin at 8 a.m. and finish

back at Locarno Saturday. Sunday there will be a shorter Enduro planned and awards will be presented Sunday night at 8 p.m.

As well it is once again time for the Harvest Festival to get underway. September 10 the Harvest Festival opens in Gooderham with their Klondike Jubilee. Passports are only \$5.00 and will get you into all the four of the Harvest Festival events this year. Passports are available at the Chamber of Commerce office or from the local committees in Gooderham, Minden, Stanhope and Haliburton. This is an excellent opportunity to visit the Klondike and you only have to drive as far as Gooderham.

On September 8 a new show begins at the Agnes Jamieson Art Gallery by the Lindsay 5. This show, which will continue until September 27 features many fascinating works in various media including oils, acrylics, water colours, pen and ink, pottery and photography. These artists are members of the East Central Ontario Art Association and the Lindsay Art Gallery. Having seen the preview of the show I can tell you that it is a very beautiful art show and well worth seeing.

On September 10 a new show opens at the Rails' End Gallery in Haliburton, The Fingering Fibres Exhibit. This show of hand made knitted and crocheted items of clothing and accessories is by artisans from throughout Ontario and Quebec. All objects are made from fibrous materials and this should be a fascinating show well worth seeing. The gallery is open from Tuesday to Saturday 11 to 5.

Don't forget we still have the Haliburton County trade dollars available at the Chamber office and from participating merchants. These coins are legal tender any place in Haliburton County up until December 31. They only cost a dollar and make excellent gifts and keepsakes.

Winners of Festival contest

The winners of the four weekends in the Haliburton Highlands for the Harvest Festival were announced Tuesday by the Chamber of Commerce.

The winners were selected from the entries received in a contest sponsored by the Chamber and co-ordinated through the CBC radio program 'Ontario Morning'. Listeners were invited to submit their entries, indicating why they would like to spend an all expense paid weekend in the Highlands. There were four winners, each attending during a different weekend,

to coincide with the Harvest Festival.

The winners include the following couples who indicated the following reasons for wanting to come to the Haliburton Highlands.

On the weekend of September 10, Constance Goodfellow from Wolfe Island will bring her workaholic husband up to stay at Wig-a-mog for the weekend. They will have dinner out at the PineStone Inn and will participate in the festivities of Klondike Days at Gooderham.

For a fortieth wedding anniversary weekend get-a-

way Mr. and Mrs. Rutherford from London, Ontario will spend their time at Beech View Cottages. Their weekend includes dinner out at the Fireside Restaurant and the Caribbean Islands night at the Minden Community Centre on September 17.

Mrs. Ruth Hopwood of Belleville will be bringing her lover of 25 years to the Highlands on the weekend of September 23. They will be staying at Sandy Lane Resort and have a special dinner out at Mr. Fogg's. Bienvenue A Stanhope will be included in their weekend plans.

October 1 will be the weekend for Denise Bowes and her friend to visit at the Lakeview Motel. Denise has been seriously ill for the best part of the summer and is looking forward to her weekend with dinner out at the Harvest Room and the activities taking place at the Haliburton Harvest Festival celebrations.

In addition to free accommodation, meals and admission to the various Harvest Festival activities, the lucky couples will receive gifts and a free weekend pass on the Sky Slider.

Origins Kinmount

One of the more original reasons for a place name that we have come across has been the naming of Kinmount. From the Tweedsmuir Books prepared by the Minden Women's Institute, the following story has been extracted.

One day, two men on horseback approached the Burnt River wishing to cross it. Upon nearing the river, the two dismounted and proceeded to hop from stone to stone looking for a suitable place to cross the river. They finally came to a spot that looked appropriate a few hundred yards north of where the bridge is now.

The leading rider, with his foot in the stirrup, turned to the other and said, "We kin mount here."

The second, probably with a hearing problem replied, "Did you say this place was called Kinmount." by Daniel Copeland

have obtained, the food and booze stores are having a bumper year while the majority of entertainment places, prepared food and lodging establishments are not quite up to par.

So here we are trying to accumulate enough operating dollars for the complete year when up jumps what I feel is an unfair competition. (See attached letter) Here's a one shot deal grab the money and run.

What can we do? We decided to provide an evening of entertainment by providing an exotic male dancer. The only results I have seen so far apart from the 180 people who enjoyed the performance is that every frustrated pen pal has come out of the kitchen cupboards writing letters so they can use misleading phrases and naughty words that don't even come close to the entertaining performance that was held at the Rockcliffe.

I think you frustrated writers should get together and lobby Council to pass a by-law which states you can't write anything about something you obviously didn't witness. If that's too difficult then get together and pray that business will improve in the losing winter north.

Dave Willis,
Proprietor,
Rockcliffe Tavern,
Minden.

Editor's note:

The following letter was sent by Dave Willis to the Anson, Hindon and Minden Township council and the Minden Recreation Committee in early August.

Dear Sirs/Madam:

I am one hundred percent in favour of competition for any business because I feel it motivates one to work harder and provide a better service to the customers and the community. One of the favourable points about competition is that everybody usually starts on an even base and you produce from this point. So you are rewarded or you become a statistic.

I now discover that the Rockcliffe is in competition with Anson, Hindon and Minden Recreation Committee who have decided to promote a live entertainment show while selling alcoholic beverages (permitting minors) on Saturday, September 3rd.

As stated, we are willing to meet competition but unfortunately we are not starting on an even base. Because we operate a business in Minden, we have operating costs which the Recreation Committee doesn't have. We pay \$5253.49 in business and

commercial taxes, of this amount the Recreation Committee receives 35% or \$1838.77. So it would appear that you are using my tax dollars to compete against me.

We as a business have to conform to all of the By-laws and Regulations whereas you are exempted from some By-laws namely By-law 78-51.

If for some reason this event that you are promoting to raise money to offset your operating deficit is successful does this mean it will reduce my contribution of tax dollars? On the other hand if you are unsuccessful in this endeavor does this mean my taxes will be increased?

Another interesting point is that if I ran my business on a deficit as you seem to do I wouldn't be here to write this letter.

I believe that promotion of concerts and the selling of alcoholic beverages should be in the domain of free enterprise (charity exempted) who after all are footing your finances and not in your hands that, of a Municipal Government and their agencies.

I look forward to your comments.

Dave Willis,
Minden.

Racers test Minden track

Airborne, an ATC clears the jump on the track.

It was another exciting day of three wheel racing Sunday at the Minden arena. The Haliburton County Snowmobile Association presented its second edition of ATC races.

The races, held on a specially constructed track, drew a hearty crowd of spectators who braved the hot sun to watch the racers perform. The twisting course takes the riders over a number of man-made obstacles, including sharp, banked hair-pin turns, a rutted straightaway, and jump which sends the bikes and riders airborne.

Churning their way around the track, the drivers attempt to out-manoeuvre their opponents in the dash for the prize money and trophies.

The races were divided into various classes depending on the size of equipment of the machines.

Allan Bruce was the top driver of the day claiming four top three positions, a first, a second and two thirds. Four other riders claimed three finishing positions in the various classes. They included Mike Kuno with two firsts and a second, Steven Stewart and Doug Zadow each with a first and two seconds and Carl Buelow with two thirds.

The following are the individuals race results:

0-125 non-suspended stock class, sponsored by Highlands Plumbing: first Mike Kuno; second Allan Bruce; third Glen Ploard.

200-225 suspended stock class, sponsored by Colman Backhoe Service: first Jeff Howe; second Steven Stewart; third Carl Buelow.

125-200 non-suspended stock class, sponsored by Bowes and Cocks Realty: first Mike Kuno; second David Zadow; third Allan Bruce.

250 stock class, sponsored by the Fireside Restaurant: first Doug Zadow; second Neil Dysart; third Butch Heroux.

0-125 modified class sponsored by Home Hardware: first Allan Bruce; second Mike Kuno; third Carl Buelow.

125-200 modified class sponsored by the Rockcliffe Tavern: first Jeff Howe; second Steven Stewart; third Allan Bruce.

250 modified class, sponsored by Rogers Burner Service: first Steven Stewart; second Doug Zadow; third Carl Buelow.

Dixie Lee advances to semis

The Haliburton Dixie Lee soccer team has surprised everyone, including itself, and advanced to the semi-finals in the league play-offs.

The team moved ahead in the play-off as a result of the quarter final victory Sunday against Huntsville. The game, played in Huntsville, saw the Dixie Lee team defeat their hosts by a 4-2 margin.

Interestingly, Huntsville had defeated Haliburton twice during regular season play.

The team members were surprised to find they were tied 1-1 at the end of the first half, even though they had been playing against the wind. A spokesman for the club said the players simply turned in a steady game.

They continued to press the opposition and were not flustered by the opposition.

David Shapiera scored two goals for Haliburton with singles being registered by Paul Milne and Rene Carson. Dwayne Warburton also turned in a strong game for the Haliburton

team.

In the second half, the Haliburton squad jumped into the lead. The advantage seemed to drain the Huntsville team, allowing the visitors to notch three more goals before Huntsville managed one in return. By then it was too late

however, and the game belonged to Haliburton.

The Dixie Lee squad may find things a bit rougher this weekend however as they face the first place team, Gravenhurst, in the semi-final. In addition to meeting the team which ended the

The second phase of the sidewalk construction in Minden was completed last week. Workmen are seen here dressing the apron of the new walkway which now stretches from the Hospital to the Library/Cultural Centre. Work is expected to start on the core area sidewalks next week, when inter-locking block stone will be used.

*The
Edgewater...*

SIMPLY BREATHTAKING

The Edgewater is simply breathtaking.

The Frederick G. Reynolds Group, creators of this new waterfront luxury condominium complex in the Village of Bobcaygeon, have established elements of quality, beauty, and elegance throughout the 8 acre site which are second to none. From landscaping so meticulous that it makes each of the multi-unit buildings appear to be sculpted out of the lush, natural surroundings, to the units themselves, filled with such dreamy standard features as top quality lighting fixtures and kitchen cabinets, plush carpet, quarry tile, and storage rooms. In between no expense has been spared in creating condominiums which have been architecturally tailored to offer prestige as well as featuring low maintenance and maximum livability.

The interior streetway of each building is cobblestoned; the walls are brick and masonry. Enclosed streets mushroom into large atriums which are complete with expansive skylights, lots of greenery and sitting areas. Designed to make full use of natural daylight and solar heat, the atriums provide summery gathering areas no matter what the weather outside. And inside, with seven different floor plans to choose from, the spacious 1 or 2 bedroom and penthouse units can be personally adapted with extras such as dens and second washrooms.

But the beauty of The Edgewater goes far beyond simply what the eye sees and into the "idea" upon which it was built.

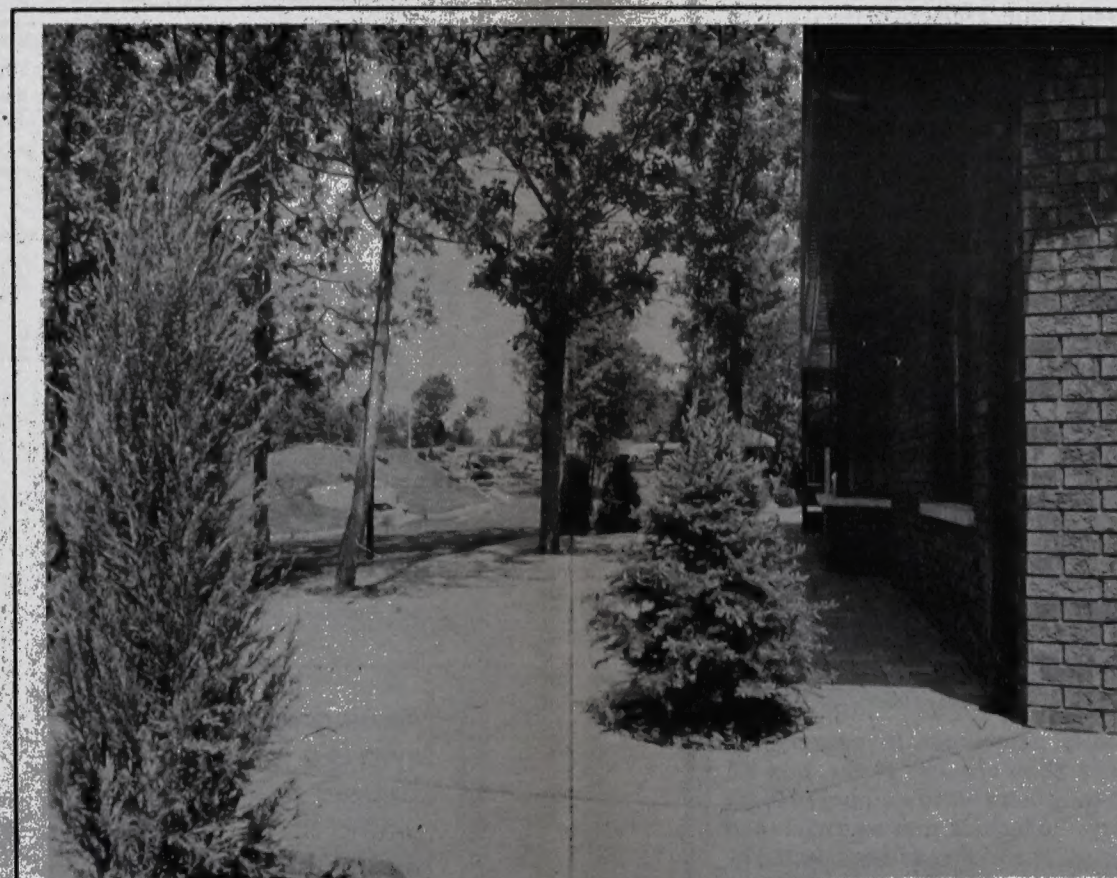

It was designed to create more than just living space. Its developers have taken into account the very human side of its future residents by offering a distinctive, even idyllic, lifestyle.

When complete there will be six main buildings housing a total of 60 individual units. Boat docking facilities will be provided. A swimming pool will cater to both the active and social lifestyles of residents, and a clubhouse with a whirlpool, movie room and kitchen will be the central focus for the atmosphere of congeniality which is evident everywhere at The Edgewater.

A visit to The Edgewater is an opportunity to experience just how masterfully, creativity and a sensitivity to human needs can be combined to provide the kind of lifestyle you've only dreamed about.

It will take your breath away.

There are actually eleven of these little critters floating on the Gull River, even though our photo only shows eight ducklings. The fuzzy paddlers are the latest edition in a series of families of ducklings to inhabit the river. The mother, several other mallards and a white duck, the latter planted by the BIA, have been accepting handouts from passers-by all summer.

Help available for beginning farmers

The details of Ontario's Beginning Farmer Assistance Program were announced by Agricultural and Food Minister Dennis Timbrell, at the CNE last week.

Mr. Timbrell stated under this program, Ontario will rebate interest charges on loans in excess of 8 percent, to a maximum of 5

percentage points, based on the Farm Credit Corporation rate, currently 13 1/4 per cent.

At present, approved lenders are the federal Farm Credit Corporation, the Bank of Montreal, the Toronto-Dominion Bank and the Canadian Imperial Bank of Commerce.

Events this week

September 9 and 10: Oakwood Fair.

Monday, September 12 8 p.m.: Victoria Cattlemen's Association Directors meeting, Lindsay Agricultural Office.

Tuesday, September 13: Victoria County Plowing Match at McEachern Farm, No. 3 Woodville. Plowing

Congratulations!
TO ONTARIO'S
JUNIOR CITIZENS
OF THE YEAR

You have set a fine example for the youth of Ontario.

Ontario's Junior Citizens of the Year for 1982 are pictured with Lieutenant Governor John B. Aird, following presentations at the 33rd annual convention of Ontario Community Newspapers Association in Toronto. In the front row from left to right are Frank Meyer, Mississauga; Mack Waldon, Thunder Bay; Leah Chorniak, Brantford; Mr. Aird; Steven Barkley, Winchester; Annie Janzen, Strat-

ton; and Chantal Michaud, Mattawa. Second row, Lisa Andreassi, Seaford; Jose Medeiros, Toronto; Faith Swann, Mississauga; Patrick Carter, Newmarket; Brenda Vines, Elmira and Tim Christo, Norwich. They were honored for outstanding community work, lifesaving heroism and working to overcome physical limitations.

Nominations for 1983 Junior Citizen awards are now being accepted.

SPOT THE SHOT

We thought we might have confused the issue slightly with shot number 9, since it did not follow the theme we have set this summer. As well, the photo was taken from an unfamiliar angle. Again we were proved wrong. Thirteen of the fourteen entries received correctly identified the location as being on the short stretch of the Gull River, some might call it Beech River, which links Maple Lake, on the far side of the bridge, to Beech Lake, further upstream. The winner of the \$25 shopping certificate, redeemable at either Minden or Haliburton Red and White grocery stores, is Corey Davis, of Route One, Haliburton. Congratulations Corey. The other correct entries were submitted by Mrs. Sandy Cole, Jean Morrison, Lorna Hicks, Carrie Drysdale, Miss Diane Cowen, Marjorie Cowen, Alvin Cowen, Gerald Morrison, Mrs. Lois Rusk, Don Hicks, David Phillips and Mrs. Minnie Dawson.

The photo above is a repeat of last week's contest number ten. If you recognize the above scene, send your entry to Spot The Shot, c/o The Times, Box 97, Minden. Entry deadline is September 12 with the winner being announced in the September 14 edition of The Times. Don't forget to include your own name and address and mark Contest No. 10 on your entry. The winner will be selected by lot from all the correct entries received. The prize is a \$25 shopping certificate redeemable at either Minden or Haliburton Red and White stores. Good luck.

As the summer draws to an end, so has the summer program where students have provided Home Help for the seniors throughout the County, sponsored by Haliburton County Home Support Services. In order to continue the Home Help program the Haliburton County Home Support Services are hiring people to work part-time at the minimum wage of \$3.50 per hour, to do housework and minor repairs for senior and disabled people. This program is designed to assist seniors to stay in their homes for a longer period of time, by providing them with a good quality Home Help at a reasonable rate. Sometimes it's just a matter of two or three hours of housework a week, or some person to replace light bulbs, or repair a door, or put on storm windows, or tidy up a basement, or small paint jobs, etc. This help can be obtained by calling the Haliburton County Home Support Services' Co-ordinator, Marie Wallace at 457-2941, or by calling one of the convenors listed below.

Cardiff Area: Lil Watson at (613) 339-2842.

Dorset Area: Marg Walkden at (705) 766-2705.

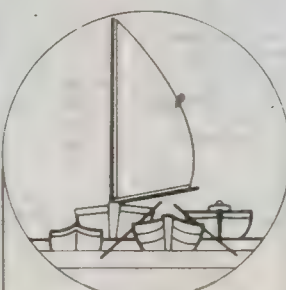

Kinmount Area: Vi Cooke at (705) 447-2468.

Please make this service known to your senior friends and neighbours.

Did you know that the deadline for the Assistance

Program for Urea Formaldehyde Foam Insulation Homeowners (UFFI) is September 30, 1983? For further information about this program, please drop in to our office at the Drag River Municipal Building, in Haliburton, across from Emmerson Lumber, or call us at 457-2733. Our office is open for 10:00 a.m. until 4:00 p.m., Monday to Friday. And remember, you will never know the answer until you ask the question.

Water levels reach 53.7%

The lovely summer weather is forecast to continue. Dry weather, like that which has prevailed this summer, of course takes a toll on the water supply, especially the surface water in lakes and rivers. The result so far has been that the reservoirs which were "super high" in May at more than 107.7%, have declined to 53.7%, roughly half, by August 29.

Unofficial rainfall records for Haliburton indicate that June, July and August totalled only 145mm. This is some 55% of normal and only about 80% of that which fell in May 1983 alone. The central part of the Kawartha Lakes have not seemed to be as dry as Haliburton, but Scugog

Lake has not responded much to the rains indicating it may have been missed by some of the large amounts.

The reservoir level of 53.7% is about 8% lower than the 10-year average for the date and nearly 12% below the level for 1982.

Recent rains in the Kawarthas resulted in reduced need for reservoir flow. Tributary streams are generally reduced to near minimal flows to match. We could, under these circumstances get by on even less water from these upper lakes, but shoreline residents of the rivers and some lakes would then suffer more, so we at Trent-Severn Waterway try to keep the flows at least to the established minimum.

CORPORATION OF THE TOWNSHIP of LUTTERWORTH NOTICE

IN THE MATTER OF THE MUNICIPAL ACT: and IN THE MATTER OF a proposed By-law of the Corporation of the Township of Lutterworth to stop up and close portions of the 66-foot 'unopened' Original Shoreline (Marine) Allowance for Road around the shore-line perimeter of Davis Lake, in the front of Part of Lots 7, 8, 9, and 10, Concessions 1 and 2, in the Township of Lutterworth and to convey the aforesaid Shoreline Allowance Portions to the abutting property owners.

NOTICE IS HEREBY GIVEN, pursuant to Section 301 (1) (a), of the Municipal Act, R.S.O. 1980, that the Council of the Corporation of the Township of Lutterworth proposes to consider and, if deemed advisable, to pass at its Regular Meeting to be held at the Council Chambers, 3 miles south of Minden on Highway No. 35, on THURSDAY, SEPTEMBER 15th, 1983 at the hour of 7:00 o'clock P.M. a By-law to stop up and close the parcels of land more particularly described as follows:-

SCHEDULE "A"

ALL those adjoining parts of the sixty-six foot Original unopened Shoreline Allowance for Road along the shore of Davis Lake in front of Part of Lot 10, in Concession 2, in the Township of Lutterworth, in the County of Haliburton, designated as Parts 1 to 9 on a Plan of Survey deposited in the Registry Office for the Registry Division of Haliburton (19) as Plan 19R-2856.

AND, in addition, to convey Parts 1 to 9 on Survey Plan 19R-2856 to the owners of the abutting Instrument Numbers 48815, 62039, 62038, 120078, 54176, 59879, 41739, 11738 and 105912.

SCHEDULE "B"

ALL those adjoining parts of the sixty-six foot Original unopened Shoreline Allowance for

Road along the shore of Davis Lake in front of Part of Lots 8 and 9, in Concession 1, in the Township of Lutterworth, in the County of Haliburton, designated as Parts 1 to 7, 9 to 19 and Part 25 on a Plan of Survey deposited in the Registry Office for the Registry Division of Haliburton (19) as Plan 19R-2857.

AND, in addition, to convey Parts 1 to 7, 9 to 19 and Part 25 on Survey Plan 19R-2857 to the owners of the abutting Instrument Numbers 79551, 97055, 55033, 21257, 75896, 2541, 75897, 21976, 16525, 91371, 90979, 60797, 70459, 119234, 70649, 35387, 47855, 47856 and 44309.

SCHEDULE "C"

ALL those parts of the sixty-six foot Original unopened Shoreline Allowance for Road along the shore of Davis Lake, in front of Part of Lot 7, in Concession 1, in the Township of Lutterworth, in the County of Haliburton, designated as Parts 1 and 2 on a Plan of Survey deposited in the Registry Office for the Registry Division of Haliburton (19) as Plan 19R-2835.

AND, IN addition, to convey Parts 1 and 2 on Survey Plan 19R-2835 to the owners of the abutting Instrument Numbers 94514 and 57542.

Copies of Survey Plans 19R-2856, 19R-2857 and 19R-2835 are attached to the proposed By-law and may be viewed at the Lutterworth Municipal Office during normal working hours.

AND TAKE FURTHER NOTICE that before passing of the said By-law at its meeting to be held at the time and place above-mentioned, the Council of the Corporation of the Township of Lutterworth, shall then and there hear in person or by his or her counsel, solicitor or agent, any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at the Township of Lutterworth this 10th day of AUGUST, 1983.

senior league

by Bert Harrison

A lovely morning after a much needed rain, we are thankful but we need more. The reason why? A lot of wells going dry!

Harold and Ruth Thompson held the chapel service Sunday, while Rev. Burgess was speaking down at Miners Bay. Ruth played for singing, also led in prayer, then Harold read the lesson and took over from there. He said "I'd like to keep it cool and take you back to the little red school. He had the old second and third readers to quote from. It was a real interesting time and a lot of fun.

It is nice to have our cook Mark back from a week's holiday also Joan Kernohan. We miss them both when they are away. Working on the kitchen staff was Winnie Danilko, she was going to have a baby and just had to go. Now they have a darling baby boy whose name is Curtis. Winnie is back with us again, we knew she wouldn't desert us!

Tuesday morning Rev. Phillips of the Anglican Church, Haliburton held a most interesting service in the chapel this August day. He read Galatians chapter five "The fruit of the spirit is - love, joy, peace, gentleness, goodness." He used symbols to represent each word.

Last week Mrs. Viola Deumo returned to her home in West Guilford to spend her birthday. It was also her grand-daughter's wedding anniversary. It was perfect picnic weather and with her grandchildren, they had a good time together. Lola Prentice had her aunt call the other day, from a Senior Citizen's home down town Toronto way. Neil Walker is back from a holiday where he spent two weeks visiting relatives out Alberta way. He says crops are good but they too need rain. He says he'd like to go sometime again.

The ladies from the Kinmount Legion came over Thursday afternoon, brought along a tasty lunch, they were a jolly bunch. We played some music, they danced a waltz or two. We would like to say a big thank you.

Then Friday afternoon it is a sure thing, our entertainers come to play and sing, first they lead us in a sing song. Grace brings her book of humorous poems along. I promised a few tunes on the harmonica to play Norma at the piano keys, we played some music that seemed to please. Then Grace sings so lovely while Norma plays "Flow Gently Sweet Afton among thy Green Braes." Lorne and Grace Coburn are, we think, flying to Winnipeg to attend a hundred year church anniversary where Grace attended in her younger

days.

Our office staff has gone for this long holiday and left us kids to do as we wish, maybe to go out to play. But there is always someone in the office to carry on and look after business when the rest are gone.

Well readers, the weather stays so dry and hot, but I guess we'll have to take it, whether we like it or not.

Tuesday is back to school again, I would like to take you back to the little red school when it was "school days, school days, dear old golden rule days, reading, writing arithmetic, taught to

the tune of a hickory stick. You was my girl in calico, I was your bashful, barefoot beau, you wrote on my slate 'I love you so' when we were a couple of kids."

One gentle word that we may speak,

Or one kind loving deed, May though a trifle poor and weak,

Prove like a tiny seed, And who can tell what good may spring,

From just a very little thing. (Helen Dobbs).

Visiting with Phil and Florence Robinson during the holiday weekend was their son Bradley of Toronto.

Congratulations to Jenny Anderson who won the Rotary Bingo Jackpot in 55 numbers last week.

We were very sorry to hear of the passing of Mrs. Ed Cote of Sturgeon Falls, sister of Mrs. Lillian Porter of Minden. Mrs. Porter and her son Bill and family travelled to Sturgeon Falls to attend the funeral services Monday.

A Dream

I dreamed I saw two lovely fishes
Swimming in a pool.
Their graceful tails all silvery,
Their bodies long and cool.
I watched them swim and dart about

Between the rocks and in and out.

The sudden flashing of their gills

Like fairy notes the flutest trills.

And there within my elfin lair,

I saw them at their play

Until with sunset's rosy ebb

I watched them fade away.

Then night rose up upon his steed

So black I could not see,

I wept because those lovely creatures

Now were lost to me.

I wept my tears of loneliness

For me and for mankind,

And then I heard a gentle voice

Say - "Seek and ye shall find."

I peered into the crystal depths

And lo, what did I see?

The welcome vision of your face

Was smiling up at me!

Yvonne

CARD OF THANKS

COULTER - The family of the late Harold Coulter wish to express their sincere thanks to relatives, friends, and neighbours, for their many cards, flowers, donations and gifts of food. Special thanks to Father George Elliott, members of the Royal Canadian Legion, members of the L.O.L. 1061, the St. Paul's A.C.W. for the Luncheon, and the Gordon A. Monk Funeral Home.

IN MEMORIAM

MILES: In loving memory of James Albert, who passed away September 4, 1979.

Our hearts still ache in sadness
And secret tears still flow,
What it meant to lose you
No one will ever know.

Forever remembered by wife Berdena Miles, mother Irene Miles, grandmother Katharine Daniel, children Sherry, Judy, Susan, Chris and Dorinda.
